"DEATH BE NOT PROUD"

Death, be not proud though some have called thee
Mighty and dreadful, for thou art not so,
For those, whom thou think'st thou dost overthrow,
Die not, poor Death, nor yet canst thou kill me.
From rest and sleep, which but thy pictures be,
Much pleasure, then from thee much more must flow,
And soonest our best men with thee do go,
Rest of their bones and soul's delivery.
Thou art slave to Fate, Chance, kings and desperate men,
And dost with poison, war, and sickness dwell,
And poppy or charms can make us sleep as well,
And better than thy stroke; why swell'st thou then?
One short sleep past, we wake eternally,
And death shall be no more; Death, thou shalt die.

IN SINCERE APPRECIATION

Miss Anna Lamperti

When we first came to South four years ago, we were a group of eager kids who weren't quite sure what we wanted to accomplish as a class. You have guided us through our years together, and we will never forget you. Thanks so much for everything!

A Special Thanks to Mr. Gerald Kelly

Thank you so much for all the help you've given us. Your care and concern made it so much easier to help others. The Class of '78, and all the people we helped through the parties and the telethon, will never forget you.

Mr. Herbert Waugh and Mrs. Kay Ward

Throughout the past four years, you have given us guidance, understanding and, above all, friendship. The patience that both of you have shown with us and all of our problems has been outstanding, and your concern for each one of us will be remembered long after we have left. Thank you so much for everything!

With love,
The Class of '78

REFLECTIONS

Remember . . . That empty feeling we encountered the first day that lingered all year because of the constant reminders that we were "just" Freshmen.

The newly felt security of Sophomore Year, the feeling of being part of the whole, of truly belonging.

The importance of Junior Year — of sharing the hopes and dreams of the Seniors — of somehow being confidantes of a future not yet determined.

The Ultimate Superiority — the entrance into a vacuum of growth that sucked us upward and refused to let us return — that was Senior Year.

Remember . . . Those brisk Saturdays — a crescendo of excitement as the field became a blur of blue and white — two colors that represented a determination that would not quit.

The true warmth that overcame us when we entered that frigid Hockey Arena.

The confidence we were aware of every time that sphere of orange stubbornly swished through the hoop, knowing we were number one.

This was an omnipresent feeling, an invincible emotion — this was School Spirit.

Remember . . . Those mornings when, blurry-eyed, we struggled through SAT's.

The external weekend termpapers, always due on Monday mornings, and somehow, always begun on Sunday night.

The deluge of Forms-To-Be-Filled-Out, the weariness of "Why did you apply to this school?", and finally the relief and pride in completing College Applications.

The envelopes — both thick and thin — eagerly awaited — and yet dreaded — contained our futures. And, finally, the delicious taste of accomplishment.

Remember . . . The Monday morning drearys that plagued us throughout the week until, at last, it was Friday night.

The ballooning desire of independence, the idea of "something better," the need for growth commonly labeled as "Senioritis."

The problems of growing up — never normal, never common — that sometimes kept us apart but more often, brought us together.

Then suddenly . . . . . As the last diploma exchanges hands
As the last cap is joyfully tossed into the air
As the last sigh of relief is heard
And the last tear is shed,

We remember . . . . . It is over.

We realize . . . . . It has begun.

This year, the South High Cross-Country Team turned it on to finish with the best record in South's history. Last year's record of 2-7 was reversed to this year's 7-2 mark. Senior All-Star captain Tony Baugh returned in fine style and led the team to a second place tie with Needham. Senior All-Stars Steve Nearman and Mark West also made significant contributions to the success of this year's team.

FIELD HOCKEY TIES FOR BAY STATE

This year, Framingham South High's Field Hockey Team enjoyed its finest season in four years by capturing the Bay State League Co-Championship. Led by captains Joanne Leonardo and Chris Duane, the squad included ten seniors who will be sorely missed next season. The team advanced to the second round of the State Tournament before they were eliminated by a tough Triton team, 2-0. Their excellent record and successful Tournament play give the members of the team two achievements to remember with pride when they recall their years at Framingham South High School!

This year was the first year of league competition for the Girls Soccer Team. Like most first year teams they were not too successful, but the fundamentals were learned. Co-captains Doreen Whalen and Jennifer Sullivan and Coach Alves did a tremendous job in getting the program off the ground, and have laid the foundation for future teams to build on.

This year's Varsity Football Team was not immediately gratified for their hard work and fine attitude. In the long run, however, the 1977 season will be viewed as a year of great character building. The 2-7-1 record is no reflection of the true talent and potential of the ballplayers. The primarily Senior Flyers suffered many disheartening losses, but were in no way deterred in their sincere fight to the end.

GIRLS VOLLEYBALL

This year's Girls Volleyball Team was very high-spirited and talented although our record was 6-8. The team consisted mostly of Sophomores and Juniors, so next year's team looks very promising. Among the highlights of this season were the victories over cross-town rival North and a win over Braintree. This year's team was led by captains Eliane Videira and Ginny Clark. Eliane was also chosen for the Bay State League All-Star Team and voted MVP of the South team.

The Boys Swim Team overcame its only obstacle, Wellesley, and won the league championship. Co-captains Jimmy Halliday and Giles Taylor spearheaded an outstanding senior group. "WE ARE THE CHAMPIONS" OF

Once again, the South High Basketball Team proved that it is one of the finest in the state. They finished 18-0 in the BSL, good enough for another white flag in the gym. Brady Otey became the school's all time leading scorer and was both the team and league M.V.P. The team boasted three All-Stars: Brady Otey, Bob Barrett and Mike Otey. The season would have been super-terrific had it not been for a team called Durfee . . .

BOYS GYMNASTICS

BOYS GYMNASTICS: (L to R): S. Apkon, B. Wilder, W. Connery, B. Convery (tri-capt.), C. Lamar (tri-capt.), S. Nathan (tri-capt.), A. Manzella (coach), G. Sullivan (asst. coach), B. Pollard, A. Riley, D. Garron, M. Apkon, S. Cohen. Missing: S. Hayes (manager).

Hampered by injuries, the Boys Gymnastics Team had a disappointing season. Captains Brian Convery and Chuck Lamar were out for most of the season. However, Captain Scott Nathan and freshman Wally Connery came on strong in the meets. The team's finishing record of 1-8 does not reflect their enthusiasm or determination. With a little luck, next year's team should have an excellent season.

WRESTLING

Lack of depth was the bane of the Wrestling Team. Although they finished 3-9-1, there were some outstanding performances. Gordie Wrinn WON the state championship in his division, Jeff Rotatori finished second in the state tournament and Alan Jones finished third. Best of luck to next year's team!

A.F.S. — Steve Becker In Israel

During the summer of '77, I lived in Israel with two different families, one during each month. I moved with a friend from Florida to a small town in the northern part of Israel named Afula. I lived there with the Sagy family for the first month. The family consists of three sisters, one of whom is married and has a baby son. My family was excellent, and they treated me as a member of the family. The second month, I lived in Petah-Tikvah, a city about twenty minutes away from Tel-Aviv. My second family consisted of two sisters, twin brothers and a younger brother. While I lived with this family, I visited Jerusalem, Eilat and Nueba on the Sinai peninsula.

The people I met were excellent. I visited kibbutzim and observed the Israeli lifestyle from the inside. The experience was tremendous. There is so much more to people and the world than we see here in the U.S. The people there are so much more sociable toward each other. It was a great trip and I look forward to going again — hopefully where there is a definite peace settlement in the Middle East.

A.F.S. — Olivera Gadanski From Yugoslavia

I am very grateful to my country which gave me the opportunity to participate in the AFS exchange program, and I am as thankful to the United States of America that accepted me for this year. It has been a great experience for me, and I tried to get as much out of it as possible. I know it will continue to influence my life for many years to come.

I especially enjoyed meeting so many nice and interesting people. Making friends is an experience in itself. My host family treated me as their child, and people here have helped me in every way. I hope that all the people I have loved and cared for during this year will not forget me, as I will never forget them.

Through all the people I have met, I have come to know this country. I enjoy and respect much that it has to offer and I will bring this back with me. Philosophies of government may differ, but it is people understanding each other that makes this world a better place to live.

Student Government

The main theme of Student Government this year was communication. We provided the student body with the opportunity to confront various student government members with their problems and suggestions. The Assembly Program, which replaced the Spring Arts Festival this year, was one of the Student Government's better public efforts.

We would like to thank all those people who have helped to make what we think has been a very productive year.

In its fifty-first year of existence, the Crier has faced all the problems that big city newspapers face. Printing and production costs have sky rocketed, yet the Crier has attempted many new ideas. Format and design are two of the major changes. The staff, under the direction of Editor-in-Chief Peter Carpenter and Assistant Editor Judy Jrolf, was a large, dedicated group. The Crier feels that these combined factors have made this one of the most successful years of publishing.

Sandscript

SANDSCRIPT: 1st ROW (L to R): S. Kahn, R. Selig, T. Gilligan. 2nd ROW (L to R): L. Faulkner, E. Wane. 3rd ROW (L to R): L. McKee, A. Friedman. 4th ROW (L to R): L. Breslow, A. Gordon, A. Levy, B. This year the South High Literary Magazine, in an effort to be more creative, has changed the traditional name of the Page to Sandscript. The staff, under the direction of tri-editors Rachael Cohen, Cathy Snyder and Amy Zimmerman and advisor Mrs. Duffy, has worked extremely hard to produce a magazine with the creative work of both the students and the teachers.

Philomath

Striving to be unique, the staff of this year's Philomath broke away from many traditions. Editor-in-Chief Mary Waterhouse and Assistant Editor Joanne Leonardo have directed a large staff, with the assistance of advisor, Mr. Engvall. Combining creativity with hard work, the staff hopes it has turned out an exciting yearbook.

SMARC Christmas Party

For the third consecutive year, the Christmas party, given by the Class of 1978 for the South Middlesex Association of Retarded Citizens, was a huge success. The evening was thoroughly enjoyed by both SMARC members and members of the senior class. A special thanks goes to Mr. Gerard Kelly. Mr. Kelly was the driving force behind the party and the Class of 1978 will be eternally grateful for his help and support.

CEREBRAL PALSY TELETHON

For the third consecutive year, Framingham South High School has taken part in the Cerebral Palsy Telethon. South held many fund-raising activities, such as the Whisky Barrel Contest, the North-South Dance, and a raffle. In addition to the money raised from these activities, the students, faculty and friends of South High contributed various sums of money through pledges and donations. The total donation from South to Cerebral Palsy was a check for over $700, presented during the telecast.

This was the most productive year for South, not only in terms of donations, but also in terms of student interest and enthusiasm. Over thirty people from South were on T.V., along with the large group of students who accompanied the T.V. "stars" to the studio. South High wishes to extend it's sincere thanks to everyone who helped raise money for the United Cerebral Palsy Association.

BUSSI

NESS

Go placidly amid the noise and the haste, and remember what peace there may be in silence.

As far as possible without surrender, be on good terms with all persons, Speak your truth quietly and clearly; and listen to others, even to the dull and ignorant; they too have their story.

Avoid loud and aggressive persons; they are vexations to the spirit. If you compare yourself with others, you may become vain or bitter, for always there will be greater and lesser persons than yourself.

Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.

Exercise caution in your business affairs, for the world is full of trickery. But let this not blind you to what virtue there is; may persons strive for high ideals, and everywhere life is full of heroism.

Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment, it is as perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with dark imaginings. Many fears are born of fatigue and lonliness.

Beyond a wholesome discipline, be Gentle with yourself.

You are a child of the universe no less than the trees and the stars; you have a right to be here.

And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive him to be.

And whatever your labors and aspiration in the noisy confusion of life, keep peace in your soul.

With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.

Congratulations to the Class of 1978

We know the sigh of relief that comes at the end of your final exam. Long years of study behind you, and a big wide world ahead.

But even at that it isn't the final test — or the end of your learning. The biggest tests still face you in the choice and fulfillment of your life's work. Many plan for college, some must reckon with the armed forces. Others will seek positions in industry, trade, business. We, at Dennison, congratulate you on your past accomplishments; if your future plans call for steady employment or summer work, we'll be glad to discuss your problems with you.

Our Employment Department will welcome the chance to outline opportunities existing in our offices, factory and warehouse.

DENNISON

We are proud of the part Westwood Studios has played in the production of your yearbook. It is with this same pride in our work, and our interest in producing better portraits and candids that we hope you may call upon our services in the future.
